

Weekly Update

August 6, 2024

GROUNDS

#16 GREEN PROJECT

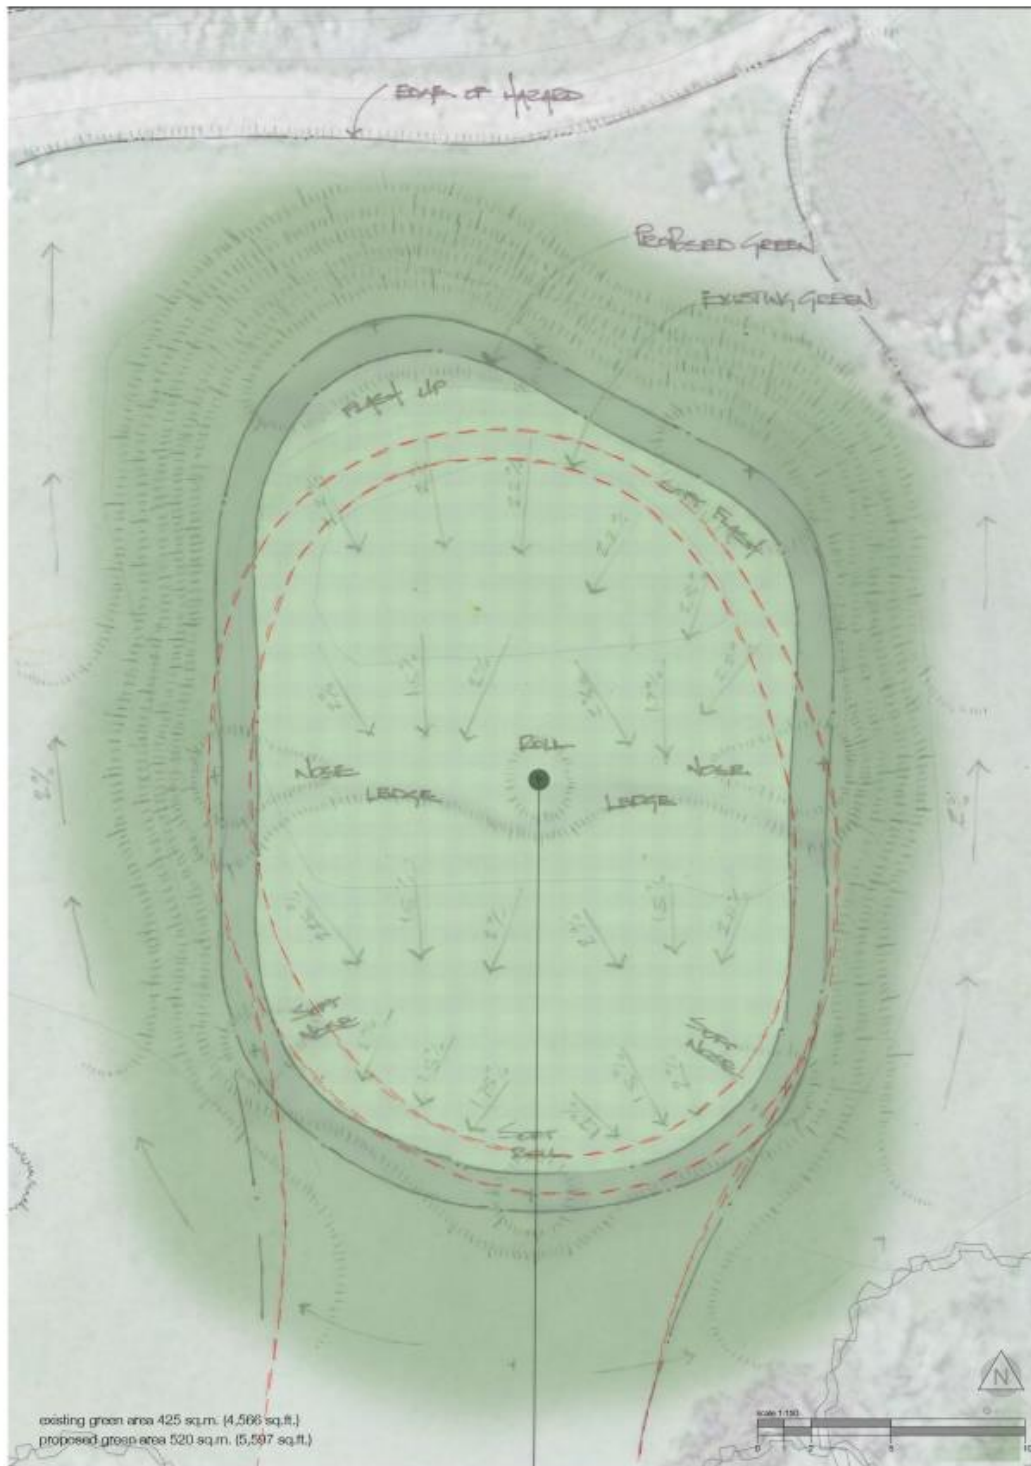

#16 Green is happening!

**Starting
Wednesday, August 14th**

Hole #16 will be played as a temporary green
for the remainder of the season
due to the reconstruction of the green.

We will use the Vallely as a tournament hole for
all remaining club tournaments

Conceptual Drawing from Architect:

**Please note next Aeration dates
September 23 & 24**

MEMBERS

The Golf Club has been receiving calls regarding people urinating in the parking lot and around trees on the golf course.

Urinating in public places like a parking lot or on a golf course is not only socially unacceptable but often illegal, as it can be considered public indecency or a public nuisance. This behaviour is disrespectful to others and can lead to penalties or fines.

There are washroom facilities on both the top level and ground level of the clubhouse along with a washroom on Hole #3.

We ask that you please respect the neighbours both in the condos surrounding the parking lot and the houses along the golf course.

Thank you for your cooperation.

MEN'S LEAGUE

Please note Men's League will be starting at 5:30 beginning August 15th.
